WESTON STONE FIRE PIT

Enjoy a warm and cozy backyard fire with family and friends any time of year with the **Weston Stone Fire Pit Kit**. This package builds a 12" high (3 row) fire pit with a 28" inside area and includes a unique pyramid grill.

Instructions

1. Excavate a 45" diameter, 6" deep area.
2. Fill the area with 4 inches of angular gravel (road crush) and compact to 2" below grade ensuring area is level.
3. Place the first row on the prepared base by alternating Weston Stone blocks from the pallet - Note you will use twelve stones per row.
4. Make sure the first row is level - VERY IMPORTANT
5. Sweep the tops of the blocks clean
6. Place the second row on top of the first row by centering the stone on the joint of the two stones below.
7. Repeat for the third row.
8. Place grill on top and enjoy.
