

# RIVER ROCK PATTERNS

**Pallet Layer Pattern**  
River Rock 1 (8 Pavers); River Rock 2 (4 Pavers)  
River Rock 3 (4 Pavers)

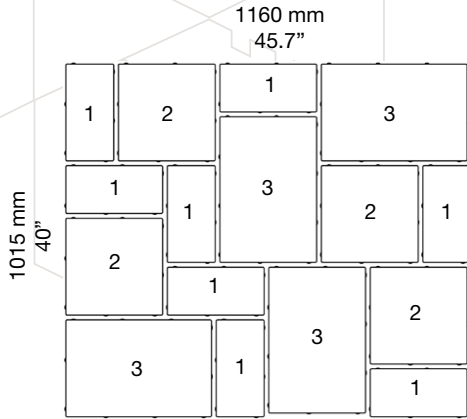

## RIVER ROCK PATTERN 1

- Mechanical or manual installation
- Install first row with a continuous orientation
- Install a second row by changing the orientation of the layer 90°
- This is a very efficient for mechanical installation
- You can also switch a few pavers just after installation (before joint sand sweeping) to mitigate long lines

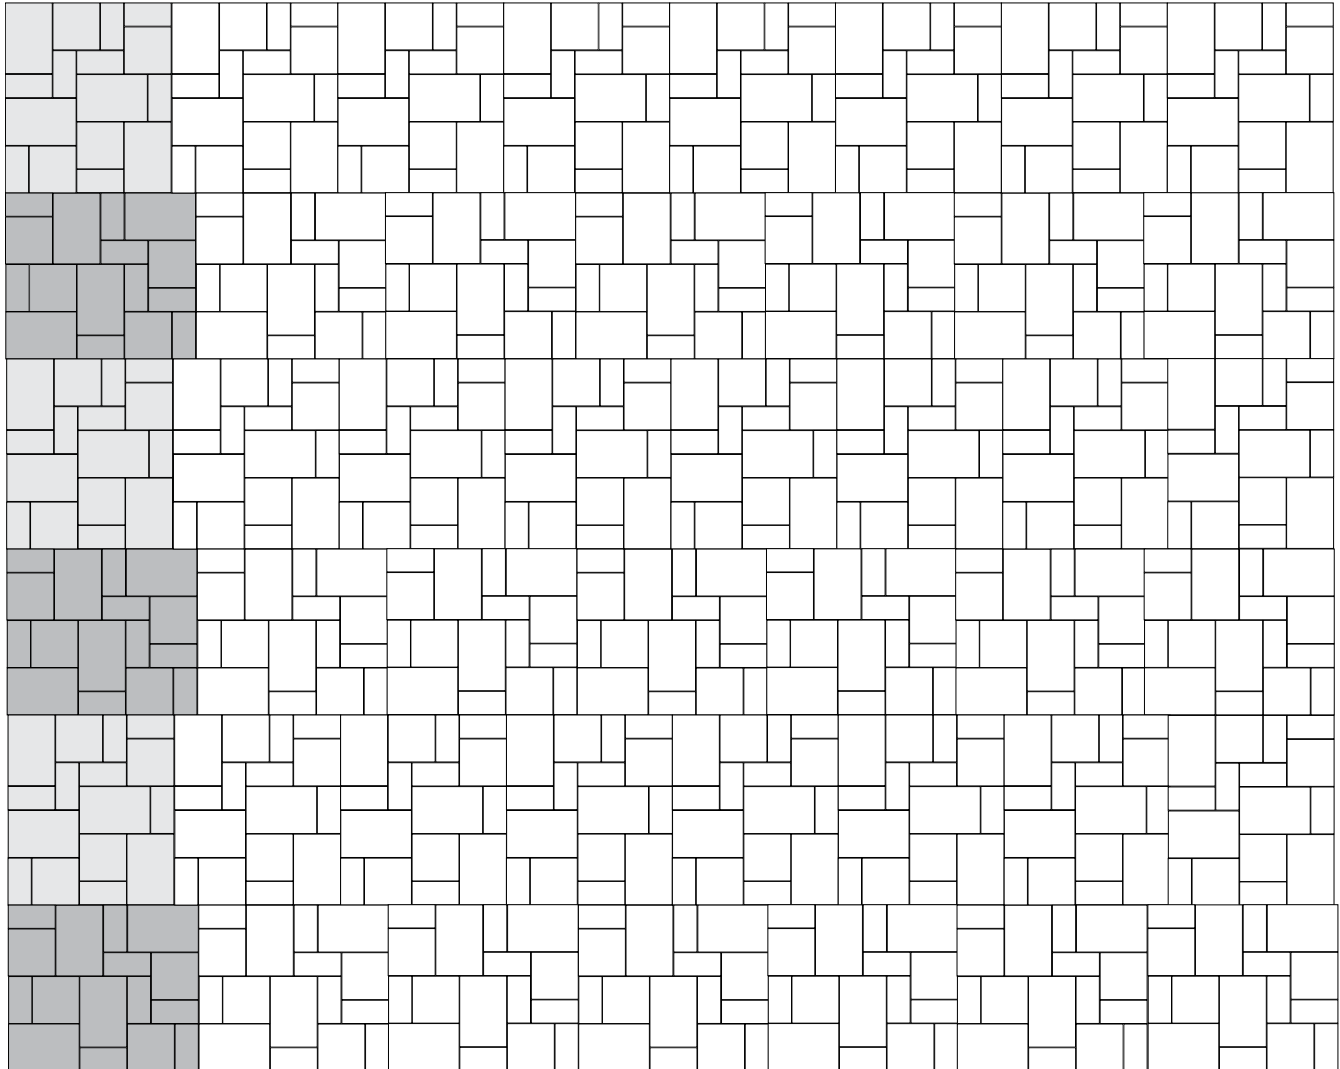

# RIVER ROCK PATTERNS
