The Tools We Would Want in Our Trailer

General Use

THE BASICS of LANDSCAPING

Wolverine 36" Landscape Rake

$76.99

This really should be a standard tool in any landscaper's trailer. Thick, durable tines and a perfect striking edge when flipped over make this rake a go-to for soil, sand and base material

Wolverine 18" Steel Handle Rake

$89.99

You'd be hard pressed to find a more effective, durable rake for handling any aggregate

Wolverine Half Moon Edger

$33.99

A must-have for landscape maintenance or renovation projects

Wolverine 26" Steel Handle Diamond Point Spade

$89.99

If digging efficiently is all about leverage, then you need a shovel that doesn't bend, flex and crack. Think about your "price-per-scoop"

Wolverine 30" Steel Handle Round Point Spade

$89.99

Again, price-per-scoop. Round point is what's needed for planting quickly. Also, use the bolt-on foot pad to reduce fatigue on your feet, and get better punch out of each dig

Wolverine 29" Fiberglass Handle Garden Spade

$34.99

The unsung hero of shovels, this is a must-have for any project; it's the shovel that everyone will use at some point in the day

Wolverine 48" Fiberglass Handle 5" Trenching Shovel

$59.99

Sometimes the description says it all, but with this shovel, what it really comes down to is durable construction for longevity

Wolverine Wood Handle 24" Blue Poly Push Broom

$59.99

Never underestimate the value of the right broom. Save yourself hours on every project just by faster clean-up. This is also a perfect broom for jointing sand in pavers

Wolverine 48" Wood Handle General Purpose Steel Scoop

$38.50

Speed up your clean-up, because time is money.

Ox 24" & 48" Pro Levels

$59.25
&
$79.95

Your levels should be getting a workout every day on site, so it's imperative that they are both accurate and sturdy. OX Pro Levels are as tough and accurate as it gets, keeping you moving in the right direction

Ox Pro Deadblow Hammer

$22.18

This is really a must-have for every project; modify stubborn materials without leaving ugly marks

Ox Trade Open Reel 165' Tape Measure

$37.80

Lay out projects quickly and accurately

TUFX 6 Cubic FT Wheelbarrow with Flat-Free Tire

Lightweight, but still heavy duty so you can move product quickly with reduced fatigue over the course of the project

$308.00

Ox Trade Kneeling Board

Sometimes the simplest things are the most effective. Save your knees without losing efficiency

$21.13

Wolverine 48" Fiberglass Contractor Shovel

Move product in a hurry, whether filling a wheelbarrow, cleaning up an excavated area, or filling screed lines. Leverage and extended reach lend themselves to productivity making this shovel a must-have.

$49.99

Tool Belt

KEEP YOUR FRIENDS CLOSE AND THESE TOOLS CLOSER

Ox 28 OZ Pro Framing Hammer

On a landscaping site, a good hard-hitting hammer gets used for just about everything, and this one's about as good as it gets

$53.80

Ox Pro 10" Claw Bar

The added hammer head on this claw bar makes it incredibly versatile for more than just prying and pulling nails

$26.25

Ox 25' Pro SS Tape Measure

Rigid, heavy duty, with incredibly convenient OX horns on the magnetic hook

$23.95

Ox Trade Torpedo Level

Everything on a landscape site hinges on proper elevations and slopes, so always keep a reliable level handy. Torpedo levels are also perfect for leveling wall block front-to-back

$11.32

Ox Trade Heavy Duty Chalk Line Reel

Simple, sturdy, and effective. Don't forget to pick up the chalk for it too!

$29.95

Ox Pro Fixed Blade Folding Knife

Compact and tough, this knife really should be in your tool pouch for every job

$12.95

Hardscapes

MAKE PAVERS & WALLS SUBMIT

Ox Pro Brick Hammer

With a clean, strong design, this hammer is perfect for cleaning up cuts on pavers or walls, creating tumbled/split-faced finishes, and putting the right touch on your hardscape project

$43.82

Ox Pro Club Hammer

"Price-per-swing". Why not pound a stake or spike in half the time?

$44.95

Ox Pro 4" Brick Chisel

Make quick alterations without losing a natural-looking edge

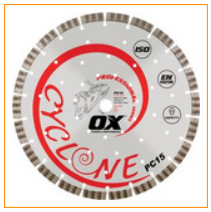
$24.95

Ox Trade Bench Brush

This is a simple tool to keep walls level as courses are added; remove debris that can put a row out of level

$12.47

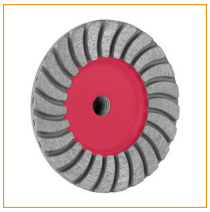
Ox Pro Concrete 14" Diamond Blade



Price-Per-Cut. Sometimes it's worth it to time how long tasks take, because the right tool can make back a lot of cash in a hurry. How fast is your current blade cutting? How long does that blade last? Enter OX Pro Concrete 14" Diamond Blade

$124.58

OX Pro 4" Turbo Cup Grinder



Clean up and customize difficult cuts quickly. Keep your grinder handy especially when building walls for rapid fine-tuning and custom-fit projects

$26.72

Ox Pro Wood Float

Don't use the blade of a shovel or whatever you have lying around to clean up filled screed lines; this float will get a beautiful smooth finish without digging in and undoing your perfect screed

$20.79

Ox 14" Pro Cement Finishing Trowel

Take your trowel work one step further and get a crisp finish right to every corner

$36.51

Ox Pro Combo 72" Screed/Darby with Vial

Use the same tool for leveling screed rails as well as screeding sand or base material; the clamped handle is a huge relief from strain on your hands

$81.68

Pave Tool Quick-E Screeder Package

If you have any interest in saving time and reducing stress on your body, this is a must have. Screed standing up; then fill and trowel your screed lines while standing up! Save time, save energy, save money.

$399.75

Pave Tool Quick-E Wall Screed

A perfect complement to the screeder package; level base material for walls faster than ever before

$220.90

Pave Tool Quick-E Lifters Set

These lifters make carrying pavers easier, faster, and less painful, which translates into increased sustained efficiency

$439.57

Pave Tool Quick-E BL180 Clamp

This is perfect for setting wall block (especially base course) and can be carried by hand or used with an excavator

$302.67

Pave Tool Quick-E Hammer

Yet another tool that falls into the "price-per-use" category; install paver edging rapidly, while greatly reducing fatigue as well as the risk of smashed fingers. Attach the Quick-E Hammer into any hammer drill that accepts an "SDS MAX"

$199.95

Pave Tool Quick-E Sand Plow

Create a proper setting bed for paver edging quickly and easily, all while still standing up

$345.15

Pave Tool Quick-E Tumbler

If you have to make cuts in a wall block, you want to make those cuts look natural, but that can take a lot of hammering. Connect the Quick-E Tumbler to your drill, and finish the cut edge in seconds

$389.90

PM-1 One Person Paver Lifter

Think it's impossible to lay pavers from a standing position? Think again. Suction lifters are an innovative advance in hardscapes technology. Your back and fingers will see why very quickly. Save time, save energy, save money. Simple.

$698.00

Wolverine 8" x 8" Dirt Tamp

Don't let base prep fail because corners and tight spaces are not properly compacted

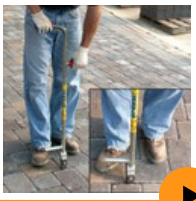
$94.50

Pave Tech Heavy Duty Base Rake

$107.10

A standard 36” landscape rake is great, but for moving base material and larger aggregates around, a base rake will perform much more effectively. Plus, picking rocks out of rake tines isn’t exactly a money maker.

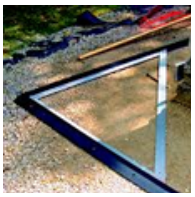
Pave Tech Paver Adjuster



$182.00

Paving stone looks amazing when it’s done… unless straight sections are crooked. Go back and make sure with a Paver Adjuster.

Pave Tech Paver Square Set



$182.00

24” and 48” squares for greatly improved accuracy in layout and execution; both fold up for easy compact storage

Pave Tech Wedgie Marker

$107.80

Cuts on curved walls and borders can be tedious to mark out, but this is one way to speed up the process immensely

Pave Tech 10 Pack Paver Marker

$21.00

Stop sharpening pencils and buying new markers every week. Paver markers make marking easy and accurate, and never need sharpening

Pave Tech Wall Mallet & Paver Mallet

$126.00
&
$84.00

Save energy and achieve results using much less effort and time. Let the mallet do the work. Faster.
