FlagStack® Pillar Kit

- *4 Sided Pillar Unit with False Joints to easily create a Pillar in minutes*
- *Total pillar height - 8.08' including cap*

No Patterns

Simply rotate each block 90° to easily create a 36" high pillar with a distinct appearance on all sides.

Easy Electrical

The hollow core makes running electrical conduit for light simple and hassle-free.

Seamless Post

Cut out the marked section, slide around an 8" max. post & glue back into place, to create a beautiful post wrap.

Wall Integration

Cut out and remove the marked section, integrate the wall directly into the pillar every few courses.
